PERSONAL PROJECTS

SNAKE GAME (HTML ,CSS, JS)
- In the Snake Game, we have a digital snake that we control using the arrows keys. An apple randomly appears on the screen and our goal is to move the snake so that it eats the apple. The snake grows in size after eating an apple and our objective is to make the snake as long as possible.

TINDOG (HTML,CSS)
- Dogs bring so much joy and love, that they really have the power to connect us. This website helps to find the dogs near you.It is a static responsive website.

SOCIAL MEDIA INTEGRATION (HTML, CSS ,JS)
- By using this website, User can login with their social media accounts like Facebook and Google. Then, his/her basic info like Name, Profile photo and Email id are displayed on the second page.
